

## Swivel-Snaps® Outbuilds the Competition!

---

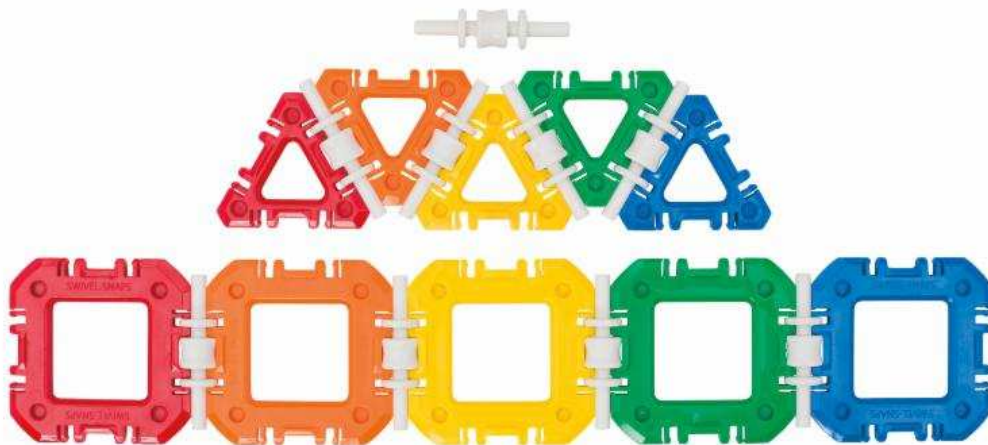

### Creative Construction at Your Fingertips!

Toysmith is excited to be the exclusive manufacturer and distributor of Swivel-Snaps® in North America. Toysmith looks forward to our partnership with Creative Toys LLC, the inventors of Swivel-Snaps. Swivel-Snaps is a brand new toy platform that stimulates the imagination through movement. Strong, safe, educational and FUN, Swivel-Snaps is the perfect intro into STEM. The unique, patented design means kids are only limited by their imagination. Build bigger, taller and wider than the competition with Swivel-Snaps!

---

### Spin it! Snap it! Build it!

Stimulate the imagination with hands-on creation. The colorful geometric shapes are easy to hold and snap together, offering endless building opportunities. Sturdy Swivel-Snaps® are meant to be moved, spun, rolled and snapped into place. If you can dream it, you can build it!

---

## Swivel-Snaps® is In-STEM-Fun!

Snap the triangle and square shapes together with the unique, swiveling connectors to build angles and curves. With Swivel-Snaps® you can create 2D and 3D shapes and figures from cuddly critters to cube towers, bridges to buildings, even pyramids and planets. Simple geometry becomes simply fun!

### Built for Creative Construction!

- Magnet and Metal-Free
- Patented Construction
- Versatile Components
- Durable & Strong
- Dishwasher-safe
- Build in 2D and 3D

**About Creative Toys LLC:**

Creative Toys LLC is the design team behind Swivel-Snaps®, an innovative new construction toy platform. Our mission is to bring children's imaginations to life while fostering a love for science, technology, engineering, and math (STEM).

**About Toymith:**

Toymith strives to deliver FUN to the lives of kids, families and customers all over the world through the products we create and distribute. Our core belief is that children learn through play. By offering carefully selected toys for all age groups, we hope to challenge the minds and imaginations of children everywhere through the experience of creative play and exploration.
